From: Dr. Carolyn L. Haggard, Superintendent of Schools

Date: September 25, 1992

If an educational/religious radio station were added to Loogootee, the school corporation could utilize the educational possibilities.

We have classes which could make excellent use of the station as part of our curriculum.

If the educational/ religious radio station were granted to Michelle K. Harris, the school would support and utilize the station. Michelle is a Loogootee High School graduate and now a professional educator; these elements alone make this station a real difference because Michelle knows the community and the school system.

If there are any further questions, please feel free to contact me at the number above.
